

## **Call for Theses and Dissertations**

### **Eligibility**

Master's and doctoral students completing a thesis/dissertation with a publication date between January 1 and December 31 (of 2014) will be considered for this year's award competition.

One nominee (for each thesis and dissertation) will be accepted per institution each year. Institutional nominations shall be determined using procedures developed by the degree-related graduate faculty at each respective institution.

At least one of the members of the committee or the nominated student must be a current ACE member.

### **Procedures**

Nominations must be received by February 13, 2015, to be considered for the award presented at the ACE annual Meeting in June.

One electronic copy (\*.pdf format) of the complete thesis or dissertation must be submitted electronically to Research SIG Vice Chair Leslie Edgar at [ledgar@uark.edu](mailto:ledgar@uark.edu).

Submissions should come from a faculty member at the institution.

### **Award Selection Process**

Judging and selection of the award recipients will be conducted independently by two active ACE Research SIG members. Faculty advisors of nominees are ineligible to serve on the selection committee. The recipients will be announced at the ACE Annual meeting and will receive an award certificate and plaque.
