

The 2022 ACE Silent Auction Needs You!

Help us help you by donating an item to the ACE Silent Auction! All proceeds from the auction go toward ACE programs.

The ever-popular silent auction returns with the 2022 ACE national conference this June in Kansas City, Missouri. And we need your help to make this year's auction one of the most memorable ever!

We are a creative group, and this is a time to share all those creative ideas. Auction items are limited only by your imagination. Artwork, jewelry, gift cards, unique culinary items, Kansas City mementos, gift baskets, anything goes!

This year we will be awarding special prizes to the ACE member who:

Donates the most items to the auction.

Donates the item that brings in the most money.

Donates the most creative item by vote of conference attendees—the people's choice award!

So, save some room in your suitcase for silent auction items—both coming and going!

Items can be dropped off at the ACE Conference registration desk at the hotel.

For more information, contact Ruth Borger at rborger@ufl.edu.

Know what you plan on donating?

Please let Ruth Borger know so we can promote the item prior to the conference!
